JOHNSON'S WOOD PRESERVE

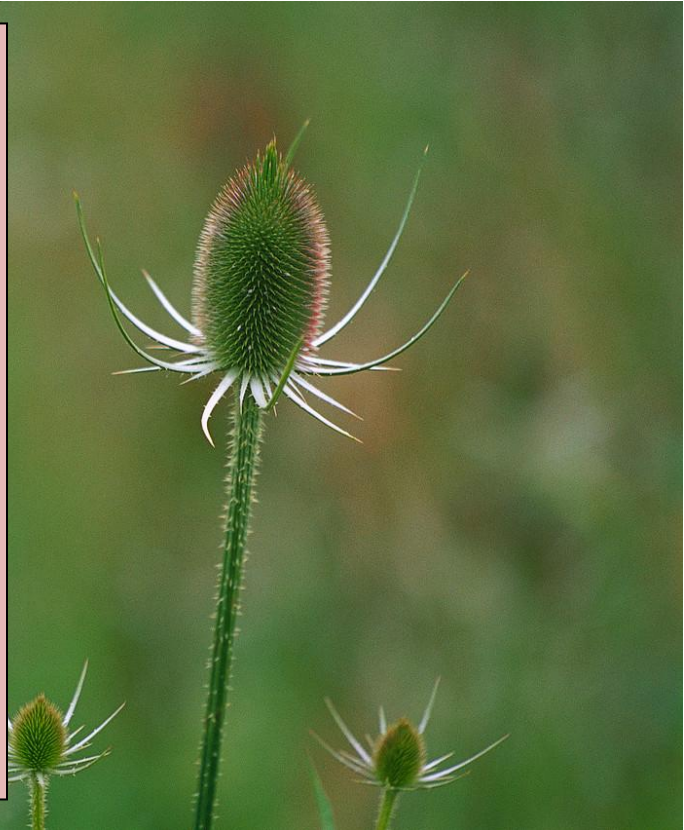

**SPRING WALK**

SUNDAY, APRIL 25, 1-3 PM

Join us for a walk in Pennsbury's recently acquired 36-acre wooded stream valley preserve. Discuss the ecology, the location of future trails, and future management of this valuable area as we search for spring wildflowers, returning birds, amphibians and stream invertebrates. Wear sturdy footwear for uneven and possibly wet ground.

Meet at Pennsbury Municipal Building for the short carpool to the Preserve.

Free to Pennsbury Land Trust members; \$5 for others.
